With only one previous owner and low mileage of just 10,900 miles for a 2023 registration, this Ford Puma ST-Line X T is a fantastic find. The Puma combines Ford's trusted engineering with a sporty edge. As a ST-Line X variant, it boasts enhanced styling and a dynamic driving experience, all while maintaining practicality. Equipped with a 1.0L Petrol Hybrid engine and meeting Euro 6 emission standards, this Puma is ready for modern driving. It also features the Parking Pack, including front and rear parking sensors and a rear camera, making city driving a breeze. The Winter Pack, with heated seats and steering wheel, ensures comfort during colder months.

This Puma also includes a Wireless Charging Pad with Electronic Air Temperature Control (EATC), offering both convenience and comfort. The EATC system, complete with climate control, allows for a consistently pleasant cabin environment. The fuel economy is a real plus, offering up to 51 mpg, meaning fewer trips to the petrol station. The low CO2 emissions are better for the environment, and the acceleration, reaching 0-62mph in just 8.9 seconds, adds to the fun.

There are 4 optional extras which cost £1525

Parking Pack	£500
Winter Pack	£350
Desert Island Blue	£675
